

RESPIRATORY PROTECTION DEVICES

- ALL-IN-ONE SOLUTION
- HIGH PROTECTION
- EXCELLENT COMFORT
- NO FIT TEST REQUIRED
- COST EFFECTIVE
- REUSABLE & DURABLE
- LOW ENVIROMENTAL IMPACT
- IMPROVEMENT IN PRODUCTIVITY

ALWAYS BREATHE SAFE

CE

IP65

EN 397

EN 166

EN 12941:2009

PAPR without hoses or accessories at the waist.

Ideal for tight and confined spaces against dust and fumes.

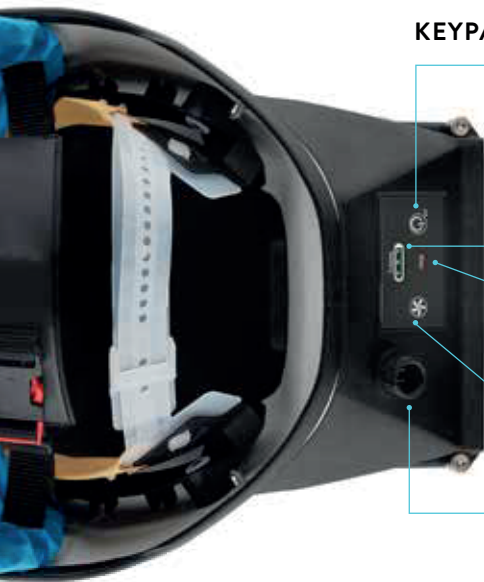

Lightweight, compact and well balanced on the head, it allows user mobility and increase the productivity for 8 hours work day.

Equipped with a brushless motor, the system can be combined with an integral helmet (KAIO) for total head protection or an ultra-light slim helmet (KAIOS).

- METAL WORKING
- SILICA DUST
- HEALTHCARE
- PHARMACEUTICAL
- GRAIN AND FOOD HANDLING
